**AGRICULTURAL DETACHABLE TRAILER LINE NOW AVAILABLE AT
FELLING TRAILERS**

(SAUK CENTRE, MINNESOTA, MAY 19, 2011) –Felling Trailers recently added an agricultural detachable trailer line to its X-FORCE product mix. These models’ capacities range from 35-60 tons with 2-4 axle configurations. Additionally, Felling Trailers’ agricultural detachable trailer line has a 5-year limited structural warranty and a 3-year paint warranty.

Some standard features of the Felling Trailers’ X-FORCE agricultural detachable trailers include:

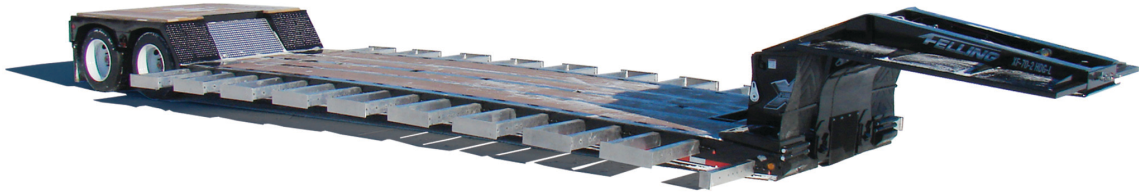

- 5-position quick change load block (capable of 15 positions)
- 2400 PSI hydraulic low pressure requirements
- low angle/height approach with tapered beam (main deck)
- air gauge and dump valve
- T-1 fully cambered beam (Non-ABS available for heavy haul applications)
- 360° Roto-D-rings on trunion bolsters
- interchangeable trunion approach
- boomwell options
- true scraper neck design
- flip axle brackets and plumbing
- LED Lighting

Optional features include:

- Infinite customizable options
- Light weight aluminum pullouts for 13’ wide

-more-

Felling Trailers is a Full Line Trailer Manufacturer located in Central Minnesota that was started in 1974 by Mr. Merle J. Felling. Felling Trailers, Inc. has grown from a small shop to a factory and office complex that today covers over 132,000 square feet. Felling Trailers currently manufactures 3,000 plus trailers a year ranging from a 3,000 lb utility trailer to a 120,000 lb hydraulic gooseneck trailer, and its standard trailer line includes over 220 models. Felling's pride and differentiation is its customized trailer division. Their engineers utilize the latest industry leading design techniques along with their experienced metal craftsmen and cutting edge technology to turn its customers' conceptual trailer needs into a tangible product. Felling Trailers' current capabilities allows them to provide a high quality product that is distributed across North America and internationally.
