**FIXED NECK OILFIELD FLOAT TRAILER NOW AVAILABLE AT FELLING
TRAILERS**

(SAUK CENTRE, MINNESOTA, MARCH 18, 2011) – The latest addition to Felling Trailers’ already expansive product line is the Fixed Neck Oilfield Float Trailer. These models’ capacities range from 25-60 tons with 2-4 axle configurations. Construction of these rugged trailers varies with an engineered/fabricated mainframe and 6”-8” Jr I-beam cross members pierced through the main beams.

Some of the standard features of the oilfield trailers include:

- Heavy Duty Tail Roller with easily accessible bearings
- Pin Pockets
- Front Pick-Up Eye
- Hub Piloted Wheels
- Fully Sealed Wiring
- Heavy Duty Bent D-Rings
- LED Lights

Optional features include:

- 8’6”-10’ Widths
- Steel Deck Plate
- Movable King Pin Settings
- Over Width Lights
- Winch Cable Fairing Roller
- Lift Axles
- Folding Landing Gear, Etc.

-more-

Felling Trailers is a Full Line Trailer Manufacturer located in Central Minnesota that was started in 1974 by Mr. Merle J. Felling. Felling Trailers, Inc. has grown from a small shop to a factory and office complex that today covers over 132,000 square feet. Felling Trailers currently manufactures 3,000 plus trailers a year ranging from a 3,000 lb utility trailer to a 120,000 lb hydraulic gooseneck trailer, and its standard trailer line includes over 220 models. Felling's pride and differentiation is its customized trailer division. Their engineers utilize the latest industry leading design techniques along with their experienced metal craftsmen and cutting edge technology to turn its customers' conceptual trailer needs into a tangible product. Felling Trailers' current capabilities allows them to provide a high quality product that is distributed across North America and internationally. For more information, you can visit them on the web at www.felling.com.
